O2 & Vodafone network roaming notifications

Please be advised that when roaming, end users may receive welcome messages promoting direct network products such as "O2 Travel" and "Rest of the world pass" but not limited too. Customers should be aware that we do not support direct network roaming products and any attempt to subscribe will be unsuccessful. As an alternative, we offer a number of products to assist users when roaming worldwide including Euro Travel, World Travel Select and a large selection of roaming bundles

** Cost is rounded per event to the nearest pence

*** Roaming Caps - We are unable to enforce price caps directly to end users due to having no visibility of the charges being passed on or real time information.

**** Prices are subject to change

Vision T&C apply - Subject to Change - v1 2018 1.4.18
